Mr. Nicholas J. Oganovic
Executive Director
United States Civil Service Commission
Washington, D. C. 20415

Dear Mr. Oganovic:

Your letter of 30 July 1965 requests certain information about our employees to be used in assigning quotas for the 1965 Combined Federal Campaign.

Since security considerations do not permit us to supply the information desired, Mr. [redacted] our Acting Director of Personnel, has discussed with Mr. Irving Kator of your staff, an alternative method for determining this Agency's quota. This method, used in prior years, is to increase the Agency's goal from the preceding campaign in proportion to the percentage increase in the overall goal. Using this method, we have arrived at a 1965 quota of \$162,000, about 17 per cent over our 1964 quota of \$138,000.
